

Dear Parents & Carers,

Welcome back to Term 3! We are looking forward to an exciting term full of new learning opportunities and adventures. Our topic for Term 3 is 'Brilliant Bears'! We will be focusing our learning on the following texts: The Everywhere Bear by Julia Donaldson, Goldilocks and the Three Bears and looking at Non-fiction books about bears. We are hoping to visit Herne Bay library, (letters to follow). We will be introducing our Class 'Everywhere Bear', each child will be able to bring the class bear home for a whole week and you can record in the special book what adventures you have had with the Bear. At the end of term, we will be finding out about Chinese New Year and will be reading The Magic Paintbrush and learning about how Chinese New Year is celebrated and maybe even trying some delicious Chinese foods.

At Forest School this term, we will be observing the change of seasons, looking out for signs of Spring and planting bulbs and seeds. We will be continuing our skills in making mini fires, using tools to create Forest crafts, learning about fire safety and looking after our environment.

Our PE days will remain the same: Mondays and Thursdays. Reading books will be changed Tuesday and Friday, please ensure your child's reading folder and reading record books are in school everyday. We are currently setting up access to our e-book library, and will be sending home login details so you can access your child's reading books at home. If you do not have access to a tablet or computer then we can continue to send paper books home.

As the weather is bitterly cold at the moment, please ensure your child is dressed appropriately, with warm coats, hat, scarf and gloves. We go outside in all weathers so warm clothing is essential. We always make sure coats are worn and done up correctly before the children go outside.

Best wishes  
Miss Mogg
