June 2026 - Newsletter

Happiness
Opportunities
Achievements
Together
Honesty

Dear Parents and Carers,

We have arrived in our final full month of the academic year! June is flying already. On this newsletter, there will be much important information about times and dates for the rest of the academic year. Please read these dates carefully and populate your calendars accordingly as there are some events that we may need your help for or your attendance at!

All the children are working very hard and we are so proud of them. This term, year 1 complete their phonics checks and year 4 complete their multiplication checks. Please support your children with these.

As ever, we are busy organising classes and timetables for next year and look forward to sharing these with you for the transition day which is Thursday 2nd July. Wherever possible, we will begin to support the transition of some individual pupils who need further time in their new classrooms or with their new adults and teachers will discuss these arrangements as they are finalised. We will be soon welcoming our lovely new Reception children to join us on the 2nd July and the 6th July.

Both Miss Lupton and Mrs Gambino will be returning from maternity leave and we are very pleased to see them return. We also will be saying goodbye to our lovely Mrs Carmen who has been training as a teacher all year and will be leaving us to take up her first full-time teaching post as a year 5 teacher at Sturry CEP School.

We hope you are all well; please come to talk to us if you need to. Mrs Bean, Mrs Bertram, the staff and I are always here to help.

Kind regards,

Mrs Phillipson

Do you qualify for Free School Meals?

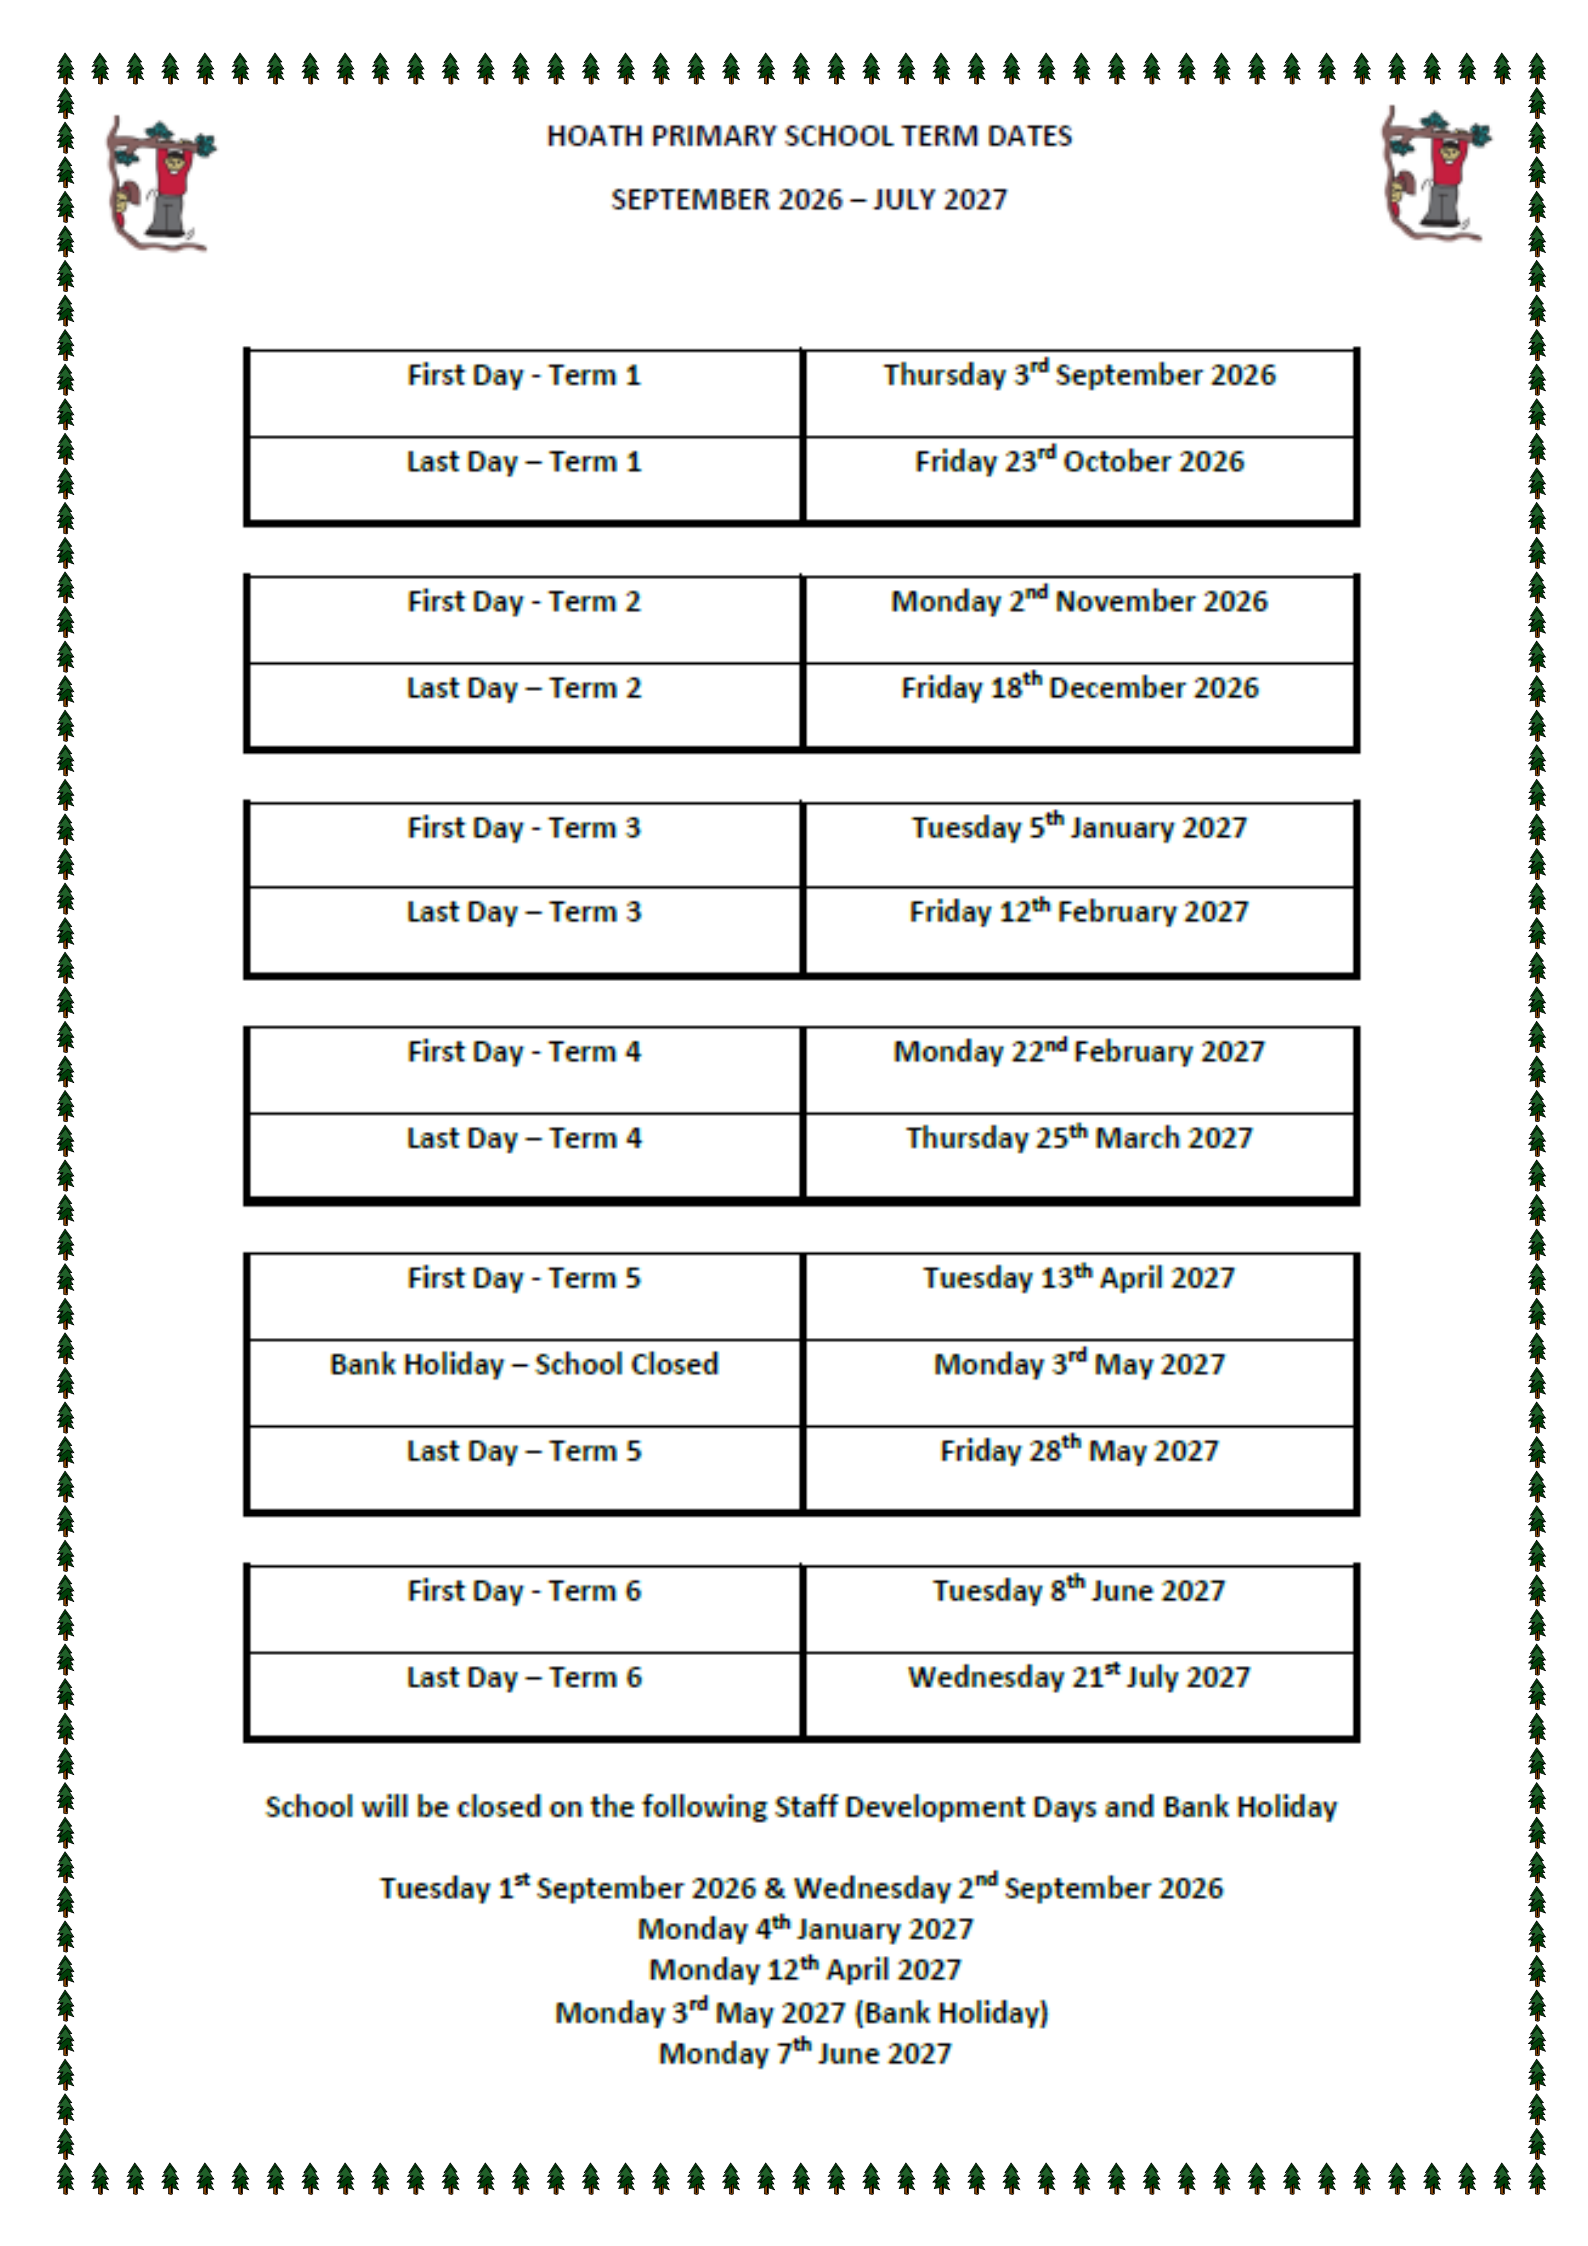

In Kent, 21% of children receive free school meals. If you are eligible and register your child will get:

- a choice of delicious, healthy hot meals every school day at no cost - this is worth £470 a year per child and recognised to improve behaviour and learning
- meals to cater for cultural, dietary, and religious requirements
- the chance to develop social skills by sitting with friends for a school meal.

If you receive certain benefits, your child's school can also get some additional money to support your child's learning. We encourage you to [check your eligibility and apply online](#) as your child's school can benefit from the additional funding if you apply for the free school meals.

Dates for your diaries

Monday 4th January 2027

Monday 12th April 2027

Monday 3rd May 2027 (Bank Holiday)

Monday 7th June 2027

Class 2

We loved our temporary pets in Class 2 last term!

It was fascinating to see our caterpillars grow and form into butterflies. We even attempted to catch the sneaky butterfly unveiling in action with videos, but each time they appeared silently and beautifully! I wonder what our next class pet will be next year?

If you would like your child to take part in the Father's Day Shop, please return the order form by Friday 12th June.

Feeding the Imagination

CLASS 3

Class Three went on a trip to Living Land Farm and we had loads of fun. First, we had to go on a coach for one hour but it was all worth it. When we got there, we went in a big tent and tasted horrible bread made from different flour, and then we saw the bird of prey show. It was amazing. After that, we saw a real horse leg that helps vets know what was inside a horse leg, and after that we had lunch. Then this was my favourite part of the day – the animals. There were loads of animals like sheep, pigmy goats, highland cow and horned cow, a Shetland pony and finally we saw two big horses called Arthur and Alfie and they were shire horses. The end.

By Meadow

CLASS 3—continued

Yesterday It was the most fun day of my life! We went to Living Lands. Let me tell you all about it. First, we got to try Roman bread but they were all made out of different types of flours (and they were cooked on a fire.) I've never in my life tried Roman bread and it was surprisingly nice! Next, we had to guess how many pints of milk a cow can produce in a day. I guessed 5 but it was 30 or 40. I know! It's so much! After that, we got to try fizzy Apple juice, still Apple juice and grape and Apple juice hmmm my favourites! There are sooo many more stalls I can tell you about but now I'm going to tell you about the birds of prey oh I forgot to mention our steward "Garry". He would take us around places. So, the birds of prey (there were 3 birds of prey) the first bird of prey was this tiny, little owl it looked so cute but I knew it wasn't! The next bird of prey looked like an eagle it scared me! And the 3rd bird of prey I can't remember oops! After that we went to some more stalls. The 1st one was so cool we were like scientists we got to explore things I couldn't see I was speechless! Then we had lunch good for me because I was sooo hungry! After we had lunch it was my favourite part the animals! First we saw the sheep they were so noisy like a fire alarm! Then we saw lots more animals but there's one I really want to tell you about it's a horse, her name was Loo-loo she was sooooo small and cute I just wanted to hug her but obviously I couldn't! After that we watched a sheep show it was soooo funny and the sheep were soooo talented! But after that it was the end (sigh) I was sooo enjoyed but the day had to be done.

Alice

Class 4

Class 4 have been exploring bridges

Chislet & Hoath PTFA's Colour Run

Our recent Colour Run was a fantastic success and a brilliant way to bring our Hoath & Chislet school communities together in the sunshine, while fundraising for our new minibuses.

Children, parents and staff enjoyed an energetic afternoon as runner made their way around the track, all while being showered with brightly coloured powder paint thrown by staff members!

A special thank you goes to Miss Cope for leading the amazing warm-up sessions, and to Mr Sanders for accepting the gunk challenge!

Thanks to the incredible support from families, we raised a fantastic amount towards our minibuses- a huge achievement for everyone involved! Before half term this amount was in the region of £1500 with donations still coming in.

Thank you to our outstanding PTFA members, without you this would have not been possible.
